“Small businesses are the economic engine in this community, together with the Santa Barbara Foundation the City is helping lift up this important sector of our local economy” said Mayor Cathy Murillo. “We thank the Santa Barbara Foundation for their support and partnership”.

The Santa Barbara Better Together Fund (SBBT) was set up at the Santa Barbara Foundation as a committee advised fund in March of 2020 with an initial \$500,000

donation from [Deckers Brands](#). The fund will help local businesses survive these uncertain times which in turn will help sustain our community.

The Santa Barbara Better Together Fund is made up of representatives from Deckers and Santa Barbara Foundation, and local experts. Distribution of the funds are voted on by the committee members.

The Santa Barbara Better Together Fund provided its first grant in the amount of \$125,000 to [Women's Economic Ventures \(WEV\)](#) for financial support to the small business community in Santa Barbara County through [WEV's ReStart Loan Program](#). Since August, the Santa Barbara Better Together Fund provided grant programs for small businesses in the City of Goleta, City of Carpinteria, unincorporated areas of Santa Barbara County and Santa Maria and SBBT now wishes to do the same for the City of Santa Barbara.

“With so many local small businesses struggling due to the impacts of COVID-19, we knew that we needed to do something to help,” said Jackie Carrera, President & CEO of the Santa Barbara Foundation. “We are proud to support our business community through this collaboration with SBBT and cities throughout the county.”
